

About our *Classes*

We've got your child's development all wrapped up. Here at kindhood we live out our days thinking of great new ways to inspire children and adults alike. Not only are our clubs testament to our ethos, but also our range of sensory inspiring classes are a great example of how our creative brains are always switched on. It's amazing to see how a child learns and grows from day one, and this is what kindhood is all about - creating an inspiring basis for families to learn how to play and grow together in as many parts of your day as possible.

Classes are limited to 8 kids each on a first paid first served basis. For classes, each child must be accompanied by an adult who is allowed to have as much fun in the class as their little ones. We do not offer refunds for classes once purchased, but will be happy to offer a make-up class within the current timetable, subject to availability, if you let us know in time before the class that you are unable to attend at least 24 hours.
